If you need to enter a score for a single game and would also like to enter commentary, or you would like to amend a previously entered score, you should instead use the Results page for your team. Each game is listed there and when logged in as a team manager or administrator, there is an edit icon [edit icon] to the right of each game that you can click to enter or edit the results.' Below the note is a table with columns: Date, Time, Location, Home, Score, Away, Score. A 'Submit' button is located at the bottom left of the table.

Scheduling can be used for any off-field events (team meetings, whiteboard sessions, parties, etc.). Please contact [muddogslax@gmail.com](mailto:muddogslax@gmail.com) if a game needs to be rescheduled or changed.
